

Material

This soft fabric, Cane-line Swipe, is a mixture of six different materials, constructed for indoor use only.

It is a mix of 60% cotton, 10% viscose, 10% acrylic, 10% wool, 5% nylon and 5% polyester.

Maintenance & cleaning

In case of food or drink stains, wash the spot carefully and immediately with warm soapy water and allow the cushion to dry.

In case of stubborn stains, the fabric cover can be removed from the cushion and dry cleaned.

We would also recommend using an acknowledged cleaning detergent.
