MARIOLINA STOOL

by e-ggs

Mariolina è nata esplorando il mondo del polipropilene e i suoi nuovi sviluppi, abbinandosi delicatamente ad una estetica essenziale. La scocca è così semplice che puoi disegnarla senza staccare la penna dal foglio, bilanciando uno stile curato e attento al presente con la volontà di uscire dalle mode. Mariolina è la risposta alla necessità di un prodotto eclettico, realizzato con un metodo produttivo contemporaneo e adatto alla vita di tutti i giorni.

Mariolina came from an exploration into the world of polypropylene and its new developments, combining it with a delicate, honest aesthetic. The body is so simple that it can be drawn without the pen leaving the paper, balancing a careful style, attentive to the present, with the desire to break free of fashion.

Mariolina is the answer to the need for an eclectic product, made with a contemporary production method and suitable for everyday life.
