PELLEOSSA

by Francesco Faccin

Pelleossa è una sedia eclettica, slanciata, che esprime il suo carattere nei dettagli. Si ispira alle sedie italiane di epoca preindustriale inserendo l'atteggiamento dell'arte concettuale. Disponibile anche con i braccioli, si completa con le diverse combinazioni della seduta.

Pelleossa is a slender, eclectic chair that expresses its character through detail. It is inspired by the Italian chairs of pre-industrial times, sporting the attitude of conceptual art. Also available with armrests, it completes with the different combinations of the seat.
