PARASOL PROGRAM

A Cane-line parasol is the perfect way to enjoy your outdoor environment, when the sun is at its highest or the dew comes at night. All parasols from Cane-line are made in contemporary and durable materials, to match any outdoor area, and to maintain its look and function for a long time.

The parasols are all manufactured in weather- and UV resistant materials, so the colour will not fade over time, and you can leave it out throughout the summer.
