

# Northern

## Over Me 40 Ceiling or Wall

Design by: Morten & Jonas

Refusing to be limited to any one position in a room, Over Me 40, the larger of the two versions of the fixture, can just as easily be the Above 40 ceiling or wall light. It's the fixture's flush-mounted sleekness, designed by Morten & Jonas for Northern Lighting, that makes it this versatile. Available in dusty blue, dark gray and white. This product debuted during Stockholm Design Week in 2017.

### Ordering Matrix

#### Model
