

# Northern

## Unika Pendant

Seeing the light takes on a whole new slant with the Unika pendant. The mouth-blown shades in gray or clear glass dress up the simple light source to offer a cheery dash of style to its corner of the design canvas. Anne Louise Due De Fonss & Anders Lundqvist conceived the Unika, which was originally created for a famed Copenhagen eatery. Now you can make it uniquely yours.

### Ordering Matrix

#### Model

530 = Small Clear      531 = Large Clear  
535 = Small Gray      536 = Large Gray

#### LED

1 x 3W G9

#### I (Incandescent)

1 x 25W E12 Globe

#### Finish

CLR = Clear      GRY = Gray
